The Gospel

Profession of Faith

General Intercessions (Prayer of the Faithful)

Set up the Altar- S1 goes to get the Book and puts it on the altar. S1 takes the Gospel stand off the altar and puts it in the sacristy. S2 gets the chalice, places the corporal down, and sets the chalice just to the right of the corporal. S1 gets the cups and places them on the right side of the corporal. Stand and wait for the gifts to be brought up.

Our Gifts

S1 and S2 stand behind Father on each side. S1 is given the hosts and immediately takes the plate and places it on the corporal. Then comes back to take the offering basket to the table. S2 has the wine and stands next to the altar and waits for Father. S1 gets the water container and stands next to S2 at the altar. S2 takes the lid off the wine and holds it facing Father. Father takes the wine and pours it into the chalice and the cups. Father will hand the wine container back to S2. S1 hands the Father the water (handle first) and waits while Father pours the water into the chalice and the cups. S1 stays right there and waits for S2 to come back with the bowl and towel ready for Father to wash his hands. After Father washes his hands S1 and S2 both bow and return the water and bowl to the side table.
