### Say the Word

Preaching and healing are all of a piece for Jesus. You speak of God's love and people are healed. Author Tony Hendra experienced the power of this combinative ministry the first time he encountered the late Benedictine Monk Father Joe Warrilow, whom he pays tribute to in the book *Father Joe*.

As a teenager, Hendra confessed to a flirtation he was having with a married woman. Shut up in a room with Father Joe, young Hendra spilled his guts, while Father Joe listened intently.

With his story finished, Hendra sat in silence observing the priest: "He hadn't questioned a thing I'd said; he hadn't asked me to repeat or clarify. He seemed to assume that I was telling the truth—which I'd tried to do . . . When he finally spoke, his words were slow and stilted: 'You've done nothing truly wrong, Tony dear. God's love has brought you here before any real harm could be done. The only sin you've committed is the sin of selfishness.' The verdict was gentle, final, the last word of, well, a father."

"I'd never felt so safe and secure with anyone in my life," writes Hendra. "I wanted to tell him everything that had ever happened in my few years. There were a million things I wanted to ask him. No, two million."

In that moment, Hendra discovers that encountering the love of Christ is a cure. Only say the word, Lord, and we shall all be healed.

Fr. Rey

Dear Brothers and Sisters in Christ, This past year has been a time of deep hardship and struggle for all of us. And yet we stand today with a profound sense of hope, in the vaccines that will be capable of delivering us from the darkness of pandemic.

For us as disciples of Jesus Christ, hope is the light that guides our pilgrim journey on this earth. The hope that springs from the love of a God who loves each of us personally and intimately with grace that knows no bounds. The hope which lies in the Resurrection of Jesus Christ. The hope that lies in the life of the Church which sustains us and nurtures us with the sacramental life and the call of the Gospel.

It is so appropriate that the theme of our Annual Catholic Appeal this year is "Renewing Hope." For the work of the diocese of San Diego in the coming months will indeed be to reawaken and strengthen hope as we move out of pandemic and into a genuine renewal of the life of the Church in San Diego and Imperial Counties.

This reawakening will take place through our parishes, schools, families, and in our outreach to the needy and the marginalized in our midst. For this reason, the funds for the Annual Catholic Appeal this year will go to the formation of and care for our priests, who shepherd our parishes in this time of suffering and renewal. They will support our Catholic schools and faith formation programs, which bring hope and faith to our young people. The Appeal will support our office of marriage, family life and spirituality in its focus on strengthening the family at this key moment in our history. And the Appeal will help Catholic Charities to reach out to those who have suffered most greatly from the social and economic devastation of the past year.

In our Annual Catholic Appeal you will be bringing hope to our young people and families, to our parish communities and to our world. I ask you to prayerfully consider supporting this splendid work of the Lord.

Sincerely yours in Christ,

+Robert W. McElroy  
Bishop of San Diego and Imperial Counties

Thank you to the Third-grade students and their families for their participation in celebrating the Family Mass last Saturday. It was great to see so many school families!

St. Didacus School has been a part of our parish life for 81 years. We are a community blessed by the influence and superior education that has been offered at our parish school for all those decades. So many lives have been enriched by the Catholic faith that has been handed on through the love and care of the faculty and staff that have faithfully served our children since the school was founded in 1939.

**FRATELLI TUTTI-  
SISTERS AND BROTHERS ALL**  
Wednesday, February 10<sup>th</sup>  
6:30-8:00 p.m.

In the midst of today's turmoil, the voice of Pope Francis, inspired by many other faith leaders, rings out loud and clear, through his encyclical Fratelli Tutti- Sisters and Brothers All.

Love one another. We all belong to a global human fraternity of sisters and brothers. Remember the golden rule: Do unto others as you would have others do unto you.

The Office for Life, Peace and Justice is bringing together voices from various faith traditions to speak to different aspects of our present national and world reality, as the voice of faith, hope and justice.

Five speakers will interpret the message of Pope Francis from different faith perspectives, as it applies to a specific area of our national reality.

**You are invited to experience the comfort and encouragement of God's grace that is possible when you connect and pray with others.**

The gathering will include: Opening Prayer, Spiritual Reading, group sharing/petitions/comments, an Our Father and Closing Prayer. They will also have information on various agencies that can help with whatever you or a loved one are encountering - be it depression, anxiety, grief, addiction, stress, or other struggles. It is NOT a therapy session (they are not trained to do that). It is more a chance to be with others, share, listen with empathy, learn about available resources and pray together. All are welcome.

**We are collecting palms from last year so that they may be burned for ashes for Ash Wednesday which is on February 17th. Please put them in the basket at the entrance of the parish hall by Sunday, February 14th.**

## QUESTIONS OF THE WEEK

### First Reading:

We hear how Job struggled to find meaning and hope in his life. How does your faith help you get through difficult times in your life?

### Second Reading:

Paul speaks of his singular desire to preach the "gospel" (the Good News of Jesus Christ). When do you share the gospel message with others?

### Gospel:

We learn that from the beginning of his public ministry Jesus was very purpose-driven: healing the sick and preaching the good news. How intentional is the practice of faith in your daily life? ©LPi

The theme for 2021 is **"To Have, To Hold, To Honor."** of married life. Looking for **more resources** to strengthen your marriage or advice for dating and engaged couples? Visit [www.foryourmarriage.org](http://www.foryourmarriage.org).

***Prayer for Married Couples**—Almighty and eternal God, You blessed the union of married couples so that they might reflect the union of Christ with his Church: look with kindness on them. Renew their marriage covenant, increase your love in them, and strengthen their bond of peace so that, with their children, they may always rejoice in the gift of your blessing. We ask this through Christ our Lord. Amen.*

### **World Day of the Sick**

February 11, 2020

The World Day of the Sick is an observation started by Pope John Paul II as a way for believers to offer prayers for those suffering from illnesses. The day coincides with the commemoration of Our Lady of Lourdes.

Pope John Paul II initiated the day in 1992 to encourage people to pray for those who suffer from illness and for their caregivers. The Pope himself had been diagnosed with Parkinson's a year before, in 1991, and it is considered that his own illness was the impetus for his designation of the day.

On this day, people around the world are asked to take the time to pray for the sick and for those who work very hard to alleviate the sufferings of the sick. We are also encouraged to visit the sick to offer them our companionship, to pray with them and to offer assistance as needed.

*"Dear brothers and sisters, the commandment of love that Jesus left to his disciples is also kept in our relationship with the sick. A society is all the more human to the degree that it cares effectively for its most frail and suffering members, in a spirit of fraternal love. Let us strive to achieve this goal, so that no one will feel alone, excluded or abandoned."*

*To Mary, Mother of Mercy and Health of the Infirm, I entrust the sick, healthcare workers and all those who generously assist our suffering brothers and sisters. From the Grotto of Lourdes and her many other shrines throughout the world, may she sustain our faith and hope, and help us care for one another with fraternal love. To each and all, I cordially impart my blessing."*

—Pope Francis 2021 World Day of the Sick Message

## Notas del Padre Rey

### Di la palabra

La predicación y la curación son una sola cosa en la vida de Jesús. El habla del amor de Dios y la gente se sana.

El autor Tony Hendra experimentó el poder de este ministerio combinado, la primera vez que se encontró con el monje benedictino Padre Joe Warrilow, a quien rinde homenaje en el libro *Father Joe*. Cuando él era adolescente, Hendra confesó haber tenido un coqueteo con una mujer casada, el joven Hendra derramó sus tripas, mientras que el padre Joe escuchaba con atención su confesión.

Cuando termino su historia, Hendra se sentó en silencio observando al sacerdote: "No lo había cuestionado lo que el había dicho; no me pidió que repitiera o aclarara. Parecía asumir que estaba diciendo la verdad. Cuando finalmente el monje habló, sus palabras fueron lentas y consoladoras: "No has hecho nada realmente malo, querido Tony. El amor de Dios te ha traído aquí antes de que te pudiera hacer un daño real. El único pecado que has cometido es el pecado del egoísmo. El veredicto fue suave, y al final, la última palabra fue de aliento de un padre bueno". Y el autor describe: "Nunca me había sentido tan seguro y protegido con nadie en mi vida".

"Quería contarle todo lo que había sucedido en mis pocos años. Había un millón de cosas que quería preguntarle. No, dos millones ". En ese momento, Hendra descubrió que el amor de Cristo nos cura. Solo di una palabra, Señor, y seremos sanados.
