I Am the Way

Jesus' claim that he is "the way and the truth and the life" is a sweeping one that dares us to see Jesus as everything we need to come to the fullness of risen Life ourselves. The "way" is not always appealing—dying to ourselves, self-giving for the sake of others. The good news and truth is that we follow Jesus' way in less dramatic, everyday ways. Our simple acts of reaching out to others, alleviating their suffering, or eliminating their need (whatever it might be) is how we follow Jesus' way. But more: this is how we ourselves become the way! As we do Jesus' works, we become more like him—we take on his care, his love, his passion for others. As we do his works, we ourselves become the way to the Father for others. No greater work can we do! —Living Liturgy

Diocese of San Diego

As previously announced by the Diocese in 2022, at the conclusion of a three-year visitation, the Apostolic See (*specifically the then-Congregation for the Institutes of Consecrated Life and Societies of Apostolic Life*) by means of a Decree dated 13 May 2022 and approved in forma specifica by Pope Francis, suppressed the religious institute formerly known as the Trinitarians of Mary. With this suppression, the former members of the Trinitarians were automatically dispensed from their vows and are no longer permitted to present themselves as religious. There is no right of appeal, and the Trinitarians have ceased to exist as a religious institute recognized by the Catholic Church.

Job change?

Whether retiring or
changing jobs, you'll
want to know your
retirement account
options.

There are four potential options for your 401(k) when leaving an employer:

- Leave it in your former employer's 401(k) plan, if allowed by the plan.
- Move it to your new employer's 401(k) plan, if you've changed employers and your new employer plan allows for it.
- Roll the account over to an individual retirement account (IRA).
- Cash it out, which is subject to potential tax consequences.

We can talk through your financial goals and find the option that works best for you.
